Sonnet
[English version]

*Dedicated to a female wrestler, [Paige]
The worthy incarnation of Athenian Beauty,
Stellar, and like Algol, intermittent.*

Sacramental Absolution

Your skin, like flawless snow,
Heavenly Angel !, Precious Doll !,
Rearguard and vanguard of a Goddess,
Strong columns, admirable pediments.

Hug you, spoil you, kiss you!
I live, like a madman who craves,
Hungry to taste you, ambrosia,
To be the owner of your body, to love you!

Destined to be my Consort,
Fates favor your capture,
I'm sending a Cohort Army.

Stellar Revolution, it's the hunt,
Absolution, Creator's adjustment,
You will pronounce, This is my House !

Samael Magnum.
